Faith Family Church – We are about Growing Together!

Life really is better... together. Faith Family Church is about growing in our relationship with God, with His people and with His Word. Love is powerful and needful. At Faith Family Church you will find people just starting their walk with the Lord and others who have more experience. We love one another. For God calls all of us to continually pursue a developing relationship with Him and His people.

Loving God, Loving People, Loving Truth

We love God by doing what He says. We love people because Jesus died for all. And we love truth because truth makes you free. We like freedom.

Are you new to Faith Family Church? Or do you regularly attend?

We have opportunities where new friendships and relationships are built; Classes where Bible truth is taught, Ministry Teams who serve God and Events which include mission trips, picnics, and special projects. All of these are found online at FaithFC.org/connect. There is something for everyone.
