## May

### Faith Family Church – We are about Growing Together!

Life really is better *together*. Faith Family Church is about growing in our relationship with God, with His people, and with His Word. Love is powerful and greatly needed. At Faith Family Church, you'll find people just starting their walk with the Lord alongside others who have been walking for a long time. We love one another. God calls all of us to continually pursue a developing relationship with Him and His people.

### Loving God, Loving People, Loving Truth

We love God by doing what He says. We love people because Jesus died for all. And we love truth because the truth sets you free – and we like freedom!

### Are you new to Faith Family Church? Or do you regularly attend?

We have opportunities where new friendships and relationships are built; classes where Bible truth is taught; ministry teams filled with people who serve God together; and events which include mission trips, picnics, and special projects. All of these can be found online at [faithfc.org/connect](http://faithfc.org/connect). There's something for everyone!
